INTERGOVERNMENTAL AGREEMENT

BETWEEN THE CITY OF DALLAS, GEORGIA AND

THE DOWNTOWN DEVELOPMENT AUTHORITY OF THE CITY OF DALLAS, GEORGIA

(109 Academy Drive and 121 Academy Drive)

THIS INTERGOVERNMENTAL AGREEMENT ("IGA") is made and entered into as of the _____ day of _____, 2026, by and between the **CITY OF DALLAS, GEORGIA**, a municipal corporation of the State of Georgia ("the City"), and the **DOWNTOWN DEVELOPMENT AUTHORITY OF THE CITY OF DALLAS, GEORGIA**, a public body corporate and politic ("the DDA," and together with the City, "the Parties").

WITNESSETH:

WHEREAS, the DDA was created pursuant to Article IX, Section VI, Paragraph III of the Constitution of the State of Georgia, the Downtown Development Authorities Law, O.C.G.A. § 36-42-1 et seq., and an activating resolution of the Council of the City of Dallas duly adopted November 7, 1983, as amended, and exists as a public body corporate and politic; and

WHEREAS, the City holds fee simple title to the real property located at 109 Academy Drive, Dallas, Paulding County, Georgia 30132, Parcel Number 138.1.4.003.0000, and to the real property located at 121 Academy Drive, Dallas, Paulding County, Georgia 30132, Parcel Number 138.4.1.019.0000, each more particularly described on Exhibit A attached hereto and incorporated herein by reference (collectively, "the Subject Property"), by virtue of Final Judgments and Decrees Quieting Title entered by the Superior Court of Paulding County, Georgia, in Civil Action Nos. 25-CV-1898-P4 and 25-CV-1897-P4, respectively; and

WHEREAS, the City Council, by Resolution No. ____ adopted _____, 2026, and the DDA, by Resolution No. 2026-08-01 adopted _____, 2026, have each authorized this IGA and the conveyance described herein; and

WHEREAS, the DDA and Shiloh Missionary Baptist Church ("Shiloh") have entered into a Land Exchange Agreement providing for the DDA's construction, at its sole expense, of a new church facility for Shiloh on the Subject Property, which construction is now nearing completion, and for the exchange of the Subject Property and said facility for Shiloh's property at 209 West Cooper Avenue upon a closing contingent upon entry of a final, non-appealable judgment establishing the City's title to the Subject Property; and

WHEREAS, the transfer of the Subject Property to the DDA for such public purposes is exempt from the competitive sale requirements of O.C.G.A. § 36-37-6(a) pursuant to the exemption set forth in O.C.G.A. § 36-37-6(e)(2)(D) for transfers to another governing authority or government agency for public purposes;

NOW, THEREFORE, for and in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

- I. **Conveyance of Subject Property.** Within thirty (30) days of the execution of this IGA, the City shall execute and deliver to the DDA a Limited Warranty Deed for the 109 Academy Drive parcel and a separate Limited Warranty Deed for the 121 Academy Drive parcel, each for the consideration of Ten Dollars (\$10.00) and other good and valuable consideration, conveying the Subject Property to the DDA subject only to the matters of record described in each such Deed. The DDA shall be responsible for recording each Deed and for all recording costs and transfer tax filings associated therewith.
- II. **Use of Subject Property; Exchange with Shiloh.** The DDA has caused a new church facility for Shiloh to be constructed on the Subject Property at the DDA's sole cost and expense, which construction is now nearing completion, pursuant to the

Land Exchange Agreement between the DDA and Shiloh providing for the exchange of the Subject Property and said facility for Shiloh's property at 209 West Cooper Avenue upon closing. The City is not a party to, and assumes no obligation under, the Land Exchange Agreement between the DDA and Shiloh.

- III. **City Approval of Construction Plans and Costs.** The DDA has submitted, and the City has approved, the construction plans and associated projected costs for the Shiloh facility constructed on the Subject Property. Any material change to those plans, or to the associated costs, and any final construction contract amendment with the builder, requires the City's prior written approval, which shall not be unreasonably withheld, conditioned, or delayed.
- IV. **Reversion.** If closing under the Land Exchange Agreement between the DDA and Shiloh does not occur within sixty (60) days after entry of a final, non-appealable Final Judgment and Decree Quieting Title in each of Civil Action Nos. 25-CV-1898-P4 and 25-CV-1897-P4, the City may, upon sixty (60) days' written notice to the DDA, require the DDA to reconvey to the City, by limited warranty deed and at no cost to the City other than recording fees, any portion of the Subject Property not then conveyed by the DDA to Shiloh pursuant to that closing.
- V. **Authorized Representatives.** The Mayor, Mayor Pro Tem, City Manager, City Clerk, and City Attorney of the City, and the Chair, Vice Chair, Secretary, and counsel of the DDA, and their respective designees, are each authorized to execute any further documents and take any further action reasonably necessary or appropriate to carry out the intent of this IGA.
- VI. **Term.** This IGA shall remain in effect until the conveyance and exchange contemplated herein are fully completed, or until terminated by written agreement of both Parties, but in no event for a period exceeding fifty (50) years from the date hereof, consistent with Article IX, Section III, Paragraph I of the Constitution of the State of Georgia.

VII. General Provisions. This IGA is governed by the laws of the State of Georgia, with venue for any dispute in the Superior Court of Paulding County, Georgia. This IGA constitutes the entire agreement between the Parties regarding its subject matter and may be amended only in writing signed by both Parties. 11. Fiscal Impact Analysis Concurrence.

Prior to the issuance of any Land Disturbance Permit, the owner/developer shall provide the City with written documentation demonstrating that all identified impacts and required improvements, as identified in the Fiscal Impact Analysis, have been addressed to the satisfaction of the applicable reviewing agencies and utility providers. All land designated for commercial development within the subject property shall be cleared, graded, and brought to pad-ready condition as part of the overall site development. Completion of these improvements shall be required prior to, or concurrent with, final plat approval, and in no event later than the approval of the final plat for the residential portion of the development.

15. Additional Access Point to U.S. Highway 278 (State Route 6 / Jimmy Lee Smith Parkway).

The access point shall be fully connected to the internal street network of the development and completed prior to approval of the final plat, unless an alternative completion schedule is approved in writing by the City.

Except as expressly modified by these zoning stipulations, all development shall comply with the applicable provisions of the City's Unified Development Code, Code of Ordinances,

Special Events
Permit Application

200 Main Street
Dallas, Ga. 30132

Individuals or groups wishing to hold events within the city limits of the City of Dallas, Georgia, on public or private property must obtain a Special Event Permit from the City of Dallas. This application is for Private Property Events.

Special Event Permits are subject to the review of city departments and require approval of the Mayor and Council of the City of Dallas.

Complete & return to awhisner@dallas-ga.gov

If more details are required and further review is needed, the city's Chief Marshal will contact you.

Applications should be submitted at least 60 days prior to the proposed event.

A *Special Event* is any activity that occurs upon public or private property that affects the ordinary use of parks, public streets, rights-of-way or sidewalks, or causes an increase of more than 100% in average daily trips on any public street within the City.

Special Events may include, but are not limited to, activities such as arts festivals, fairs, tours, concerts, holiday celebrations, grand opening celebrations, certain business promotional events out of doors, block parties, bicycle races, runs, processions and motorcades. Granting permission for use does not entitle exclusive use.

Activities that do not require a Special Event Permit may include funeral processions; garage or lawn sales (or any similar casual sale of tangible personal property); and private social gatherings of up to 20 participants that make no use of city streets other than for lawful parking.

A request for a Special Event Permit may be denied if judged that the event will disrupt traffic within the city beyond practical solution; the event will interfere with access to fire hydrants; the event will cause undue hardship to adjacent businesses or residents; the event will require the diversion of so many public employees that allowing the event would unreasonably deny service to the remainder of the city; the event might otherwise interfere with the public welfare, peace, safety, health, good order and convenience of the general public; the application contains incomplete or false information; the applicant fails to comply with all requirements of the City of Dallas including failure to remit all fees and deposits and Hold Harmless Agreement to the city.
